

A woman with long brown hair is posing in a dynamic, slightly crouched position against a plain white wall. She is wearing a white long-sleeved button-down shirt tucked into light blue denim overalls. The overalls have a wide waistband and large pockets. She is also wearing black high-heeled shoes. Her right arm is extended outwards, and her left hand is near her hip. She is looking back over her shoulder with an open-mouthed expression.

BOYS AND GIRLS WARDROBE

Boys and girls. Girls and boys... This is the name of the newest STELLA NOVA wardrobe.

The fluid gender look and the break up with the traditional view of the typical feminine and masculine expectation of how to dress is the source of inspiration.

We have looked at classic men's suits and shirts in many editions – classic, oversized, and played with these. Skater outfits will add a cool and sporty vibe, and the magnificent washed denim with bondage straps to emphasize a fashion statement. Checks in various designs mixed with stripes, and as the icing on the cake, we have designed a print on silk made of artwork taken from traditional men's ties.

Paired with all this, we have the girly stuff... The flouncy dresses, skirts, light materials, embroideries, sequins, and feminine flowers. To give a true luxurious STELLA touch, we have added delicate and feminine silk tops and slip dresses. These can be worn as an underlayer or simply just as they are.

We love to mix and match, and for this season, color blocking is also a keyword.

We also love to play with traditional expectations of feminine and masculine styling and dressing, and we like to tear down the wall and build a new image.

In a world that has enough, it is always our aim to work with details and improve qualities and workmanship to secure each product's best possible capability of a long life in use.

May you enjoy STELLA's wardrobe as much as we do...
